

## NEASPEC North-East Asia Low Carbon Cities Platform (NEA-LCCP)

### Expert Group Workshop (EGW)

1-2 September 2016, Seoul City Hall

### Tentative Programme

Date	Activities
31 Aug	Participants arrival to Seoul
1 Sep	<p><b>Seoul Mayors Forum on Climate Change 2016 (Seoul City Hall)</b></p> <p>The Seoul Mayors Forum on Climate Change will gather Mayors and senior officials from cities around the globe committed to the Compact of Mayors. The Forum to take place on 1-2 September 2016 at Seoul City Hall is organized by the city of Seoul in collaboration with ICLEI.</p> <p>The Forum will explore with mayors and local governments the support needed in response to challenges, in particular also considering the new relevant frameworks: Nationally Determined Contributions (NDCs), SDGs and the New Urban Agenda. It will be an opportunity to explore the pathway to further develop cooperation among leading cities whilst help raise the global climate ambition.</p>
