

# Strategic Plan 2021-2025

# Strategic Plan 2021-2025: Programmatic Areas

## Process towards Strategic Plan 2021-2025

**SOM-23, 2019:** Preliminary evaluation of implementing the Strategic Plan 2016-2020

**March-April 2020:** Stakeholder survey (163 participants)

**April-August 2020:** Independent evaluation; June- inputs for SP 2021-2025

**June-July 2020:** Review of relevant mechanisms' activities, and regional & global context of NEASPEC work

**July 2020:** Circulation of background document and draft SP 2021-2025

**August 2020:** National Focal Points meeting on the SP 2021-2025; and additional feedback

## Key Considerations for the Programmatic Areas

- Promote the interlinkage and synergies among the programmatic areas
- Enhance the interlinkage of the NEASPEC work with member States' commitments to regional and global goals (*e.g. National LEDS under the Paris Agreement, Post-2020 Global Biodiversity Framework, ESCAP resolutions on air pollution and oceans, etc.*)
- Contribute to the achievement of the 2030 Agenda for Sustainable Development, particularly environment-related SDGs
- Provide room for identifying other emerging issues of mutual interests among member States

# Strategic Plan 2021-2025

- Progress in domestic policies and outcomes
- Gaps in achieving national standards/global commitments
- NEASPEC: platform for exchanging information and knowledge, and mobilizing joint action

- Overall Goals and Approaches
- Objectives and Activities in each programmatic area

- **Institutional support** through SOM, Secretariat, Committees/WGs, Financial Resources
- Monitoring and evaluation

# ISSUES FOR CONSIDERATION

---

The Meeting may wish to: Invite member States to adopt the draft NEASPEC Strategic Plan 2021-2025

---

Invite member States to raise the level of ambition and scale up support in operationalizing the NEASPEC Strategic Plan to deliver tangible results

---

The screenshot shows the homepage of the North-East Asian Subregional Programme for Environmental Cooperation (NEASPEC). The header includes the organization's name and logo, a search bar, and a navigation menu with links for Home, About NEASPEC, Our Work, Member States, Publications, Meetings and Events, and Contact Us. The main content area features a large banner for the 'Meeting of NEASPEC National Focal Points' scheduled for 6 August 2020. Below this, there are five thematic areas represented by colored icons: Nature Conservation, Transboundary Air Pollution, Desertification and Land Degradation, Low Carbon Cities, and Marine Protected Areas. The 'Meetings and Events' section lists three recent events: the virtual meeting of national focal points, the 2nd Science and Policy Committee and Technical Centers Meeting of NEACAP, and an expert group meeting on transboundary cooperation. On the right side, there are sections for 'NEASPEC BRIEFS' (including About NEASPEC, NEASPEC Brochure, and NEASPEC Strategic Plan 2016-2020) and 'PUBLICATIONS AND WORKING PAPERS' (including Managing).
