

The background of the slide features a light-colored, slightly faded image of a mountain range with a deer in the foreground. The text is centered over this image.

Transboundary Cooperation for Nature Conservation in North East Asia: Approaches and Practices

NEASPEC Secretariat

Cooperation for Nature Conservation in Transboundary Area

100+ protected areas along international borders in NEA

```
graph TD; A[100+ protected areas along international borders in NEA] --> B[Over 20 protected areas adjoining protected areas in neighboring countries]; B --> C[Need for transboundary cooperation: communication, cooperation and coordination];
```

Over 20 protected areas adjoining protected areas in neighboring countries

Need for transboundary cooperation: communication, cooperation and coordination

Examples of multi-/ bilateral Cooperation mechanisms

Daurian International Protected Area (DIPA)

- Established in March 1994
- Covers Daursky Zapovednik and Tsasucheisky Bor National Wildlife Refuge in Russia;
- Mongol Daguur strictly protected nature area in Mongolia
- Dalai Lake National Nature Reserve in China
